

K-LOVE radio broadcasts provide our family with healthful entertainment and develop our children's character in positive ways.

We wouldn't listen to the radio if it weren't for the availability of stations such as K-LOVE. K-LOVE's listener-funded broadcasts help build stronger communities by encouraging loving actions.

Such family safe programing is also community safe; it encourages individuals to live lives of selfless service. Most other broadcasts foster selfish characteristics. It is in the public interest, and we have an obligation, to help nurture positive features in our citizens, and K-LOVE does this quite effectively. The loss of K-LOVE would certainly be a loss for the whole community.
